Federal Reserve Banks announce support for Microsoft Windows Vista®

Financial institutions using a Microsoft Windows Vista operating system may now access Federal Reserve Financial Services via the FedLine Web® and FedLine Advantage® access solutions. For more information, please review the Service and Access Setup Hardware and Software Requirements for FedLine Web and FedLine Advantage available at:

http://www.frbservices.org/servicesetup/access/fedline_advantage_hardware_software.html.

The Financial Services logo, "FedLine Web," and "FedLine Advantage" are trademarks of the Federal Reserve Banks. A complete list of marks owned by the Federal Reserve Banks is available on FRBservices.org.

"Windows Vista" is a registered trademark of Microsoft Corporation in the United States and/or other countries.
