

Accounting Information Services Subscription Forms 1 – 6
Summary of Changes
September 2009

The Accounting Information Services Subscription Forms have been updated to include the following:

- The downloadable Statement of Account print-image format through the Account Management Information (AMI) was removed from Form 1 - Statement of Account deliveries. The print-image Statement of Account through a CI connection was also removed. ***Please note that this Statement format will no longer be supported effective June 30, 2010. If you currently use this Statement format, please contact your Account Services Customer Support representative to discuss alternative Statement of Account format options.***
- Computer Interface (CI) connection deliveries were removed from Forms 1, 2, 3, 4A, and 4B. CI Connections are no longer supported.
- FedLine Direct and FedLine Command deliveries were added to Forms 1, 2, and 4B for applicable services.
- Option B on Form 2 for the monthly Statement of Service Charges delivery method was updated to clarify that the print-image copy of the monthly Statement of Services Charges through a FedLine Direct or FedLine Command connection is in PDF format.
