

## Tenth District Standard Form for Account Confirmations

**Federal Reserve Banks now use Confirmation.com**, a service by Capital Confirmation, Inc. to facilitate the electronic processing of confirmation requests for Account Balance, Capital Stock, Discount Window Loan or Collateral, and Treasury Tax and Loan (TT&L) information from Audit Entities.

**Note:** Before the Federal Reserve can respond to a confirmation request through Confirmation.com, an Information Release Form for your financial institution must be on file with the Federal Reserve. The Release form must be signed by an individual on your Official Authorization List. The Release form is available on the Federal Reserve web site at [www.frbsecurities.org/forms](http://www.frbsecurities.org/forms); select Account Services, and then Information Release.

**At the present time, the Federal Reserve still accepts paper requests mailed to the address below.** (Note that the form must be signed by an authorized individual from your institution.) In addition, **please include a self-addressed, stamped envelope.** We will attempt to provide accurate information in response to your request. The Federal Reserve Bank of Kansas City makes no warranty, express or implied, concerning the accuracy or completeness of the information that is provided.

If you have questions, please contact our Accounting customer service representative at (800) 333-6820.
