Section A – Service Request Form

Requested Effective Date (ACH Process Date) <i>(Must be received by the Reserve Bank at least five business days prior to the requested effective date)</i>	
Service Request	<input type="checkbox"/> Add <input type="checkbox"/> Delete

Your institution agrees that the terms of Appendix F1 of Operating Circular 4, as applicable to the FedEDI Plus Service and as amended from time to time, will be applicable to the FedPayments Reporter Service (Service).

A separate Service Request Form must be signed for each of your institution's RTNs that will use the Service.

The Service is accessed and administered online through FedACH Information Services on the FedLine Web[®] and FedLine Advantage[®] access solutions. If your institution does not access FedLine Web or FedLine Advantage, or if your institution has multiple RTNs using the Service, your institution can designate a Service Participation Point from which the Service can be accessed and administered on behalf of your institution's subscribing RTNs. To designate a Service Participation Point, use the Designation of Service Participation Point form (Part 6E).

If each of your institution's subscribing RTNs will access and administer the Service using its own electronic connection then your institution does not need to designate a Service Participation Point.

If your institution is deleting the Service and it previously designated a Service Participation Point for the RTN that is no longer subscribing to the Service then, with respect to the Service, your instruction on this form serves to revoke the Service Participation Point and any agency authorization associated with the Service Participation Point.
