
Claim Packet

United States Savings Bonds & Notes

To file a claim for a bond that is lost, stolen, or destroyed, you will need to complete a PD F 1048 according to the instructions.

You will need to show a description of the bonds(s) in the spaces provided on the form. This information is necessary to identify ownership records of the bonds, which establish rights, authority, and entitlement to the bonds. Please provide as much of the information as you can because failure to furnish the necessary information may prevent the issuance of a substitute bond or payment.

Please sign the form in the presence of an authorized certifying officer (available at a bank, trust company, or credit union).
