13. Suade Labs
Suite 345 50 Eastcastle Street
London, England, W1W 8EA
US Contact: Chuck Hester chuck@suade.org
www.suade.org
Suade offers complete prudential reporting coverage capability for all major US regulators, including: FRB/FFIEC, OCC, US Treasury, SEC, FINRA, BEA, FDIC, NCUA, FSB
NOTE: Additional prudential reporting coverage capability is also available for all US State regulators. Additionally, we have a full suite of global coverage for prudential regulatory reporting in other jurisdictions and their regulatory bodies. Because of our unique approach and standardized open-sourced data model, FIRE, it enables Suade to establish new reporting

and calculation capabilities very quickly by leveraging our NLP, AI, and ML functions within our software. We have been a recognized leader in technology advancements by global regulators, including: WEF, ECB, FCA, and more.
