Supporting FedCash® E-Manifest Service adoption

Armored Carriers (ACs)

ACs need automation and technology capabilities to support financial institutions using E-Manifest. **We encourage ACs to achieve E-Manifest readiness as soon as possible.**

- ✓ **Obtain a GS1 Global Location Number (GLN)** for each of your organization's location(s) that service FI Fed currency orders and deposits
 - If applicable, a **GS1 Company Prefix** may be obtained as your organization's unique identifier for your GLNs
- ✓ **Update to Serial Shipping Container Codes (SSCC)* barcodes** on your cash shipping bags and/or acquire container tags to identify associated deposit data
- ✓ **Handheld scanning equipment with cellular capability**
- ✓ **Integration software**** (API capability)

Financial Institutions (FIs)

Automation and technology needs for FIs will vary by organization and the service relationship with your AC. **We encourage FIs to engage their AC about E-Manifest as soon as possible.**

- ✓ **Obtain a Global Location Number (GLN)** for each of your organization's location(s) that receive Fed currency order and deposit services
 - If applicable, a **GS1 Company Prefix** may be obtained as your organization's unique identifier for your GLNs
- ✓ **Update to SSCC*** barcodes** on your cash shipping bags and/or acquire container tags to identify associated deposit data

Scan to visit the GS1 website for pricing and licensing information specific to your organization or email: info@gs1us.org

*20-digit SSCC barcode can be customized with your organization's GS1 Company Prefix, but customization is not required for participation.

**A requirement for ACs and may be provided by a fintech or developed in-house.

***Only for FIs who procure their own currency deposit supplies.
