

# Do you use the FedLine Advantage<sup>®</sup> Solution? Let's help get you ready for ISO<sup>®</sup> 20022.

## 1 Self-Training

Familiarize yourself with the new ISO 20022 screens in the FedPayments<sup>®</sup> Manager – Funds application for the Fedwire<sup>®</sup> Funds Service by reviewing the training materials (“Quick Reference Guides”) posted on the “Help” link within the application (this takes you to the FedLine<sup>®</sup> Training page).

## 2 Start Testing

Everyone with access to the existing DIT environment today will automatically be granted access to the DIT2 environment. You can access the DIT2 environment in two ways:

- Log into the FedLine Advantage Solution from the FedLine Home page as you do today. Click on the “Access Test Environment” button and then the “Fedwire Funds DIT2” tab to access the DIT2 environment.
- Contact Wholesale Testing Services and they can provide you with the direct URL.
  - Phone: (833) 377-7827 Email: SYSWTSCUSTOMERTESTING@FRB.ORG

## 3 Templates

If you use the templates feature, be aware that we will delete all existing FAIM-formatted templates during the cutover weekend. You need to take action to inventory what is needed, create and save them in the DIT2 environment, then recreate them in production after go live.

Visit and bookmark our Fedwire Funds Service ISO 20022 Implementation Center (preparation checklists, high-level project milestone timeline, view on-demand webinars, register for drop-in calls, testing requirements, frequently asked questions, etc.) so you have access to the latest information about this project. Contact your Federal Reserve relationship manager with any questions.
