RE: Book-Entry Services Provided for the Federal Home Loan
Mortgage Corporation

The Federal Home Loan Mortgage Corporation (Freddie Mac) will begin issuing Optional Principal Redemption and Amortizing securities in book-entry form in the near future.

These securities will be handled in the same manner as existing securities of these types issued by the Federal Farm Credit Banks, the Federal Home Loan Banks, the Student Loan Marketing Association and the Federal National Mortgage Association.

As described earlier, in Clearing Memo #184, the Optional Principal Redemption securities will be identified by the alpha mnemonic "OR" in the security description and the Amortizing securities will be identified by the alpha mnemonic "AS" in the security description. An example of this is: "5.00 FMOR A 97-02" or "5.50 FMAS B 98-03".

Questions regarding this announcement should be directed to Gail Armendinger, Staff Director, Securities Transfer Division on (212) 720-7980.
