## New USDollars Site

The United States Secret Service has redesigned its [USDollars](#) website with improved functionality and a more seamless process for submitting suspect counterfeit notes.

### What is USDollars?

[USDollars](#) provides registered users with a convenient method for submitting suspect counterfeit U.S. currency to the Secret Service for investigation. In addition, [USDollars](#) includes information on how to use the security features in U.S. currency to authenticate genuine notes and identify suspect counterfeits.

### How Do I Register?

Registration is easy. Complete and submit the [registration form](#). Once the form is submitted, the Secret Service will send an e-mail with access confirmation.
