

New Look for FedCash[®] Services Forms

September 14, 2016

Effective September 14, FedCash[®] Services forms available on FRBservices.org will be updated with a new standard look, format and numbering scheme. Please note that the content of these forms remains unchanged.

The new format includes four sections:

- Section 1: Service Description and Form Instructions
- Section 2: Customer Information
- Section 3: Service Area Specific Requests
- Section 4: Authorized Signature

If you have any current form templates saved on your desktop or network, please visit the [FedCash Services Forms](#) page to access the updated versions and begin using them today.

If you have questions, please contact your local [FedCash Services District Contacts](#).
