# DIRECTO A MÉXICO<sup>SM</sup>

It's the best way to send money home.

Directo a México is the most convenient way to transfer your money to Mexico. The payments are low-cost, fast, and secure. In addition, Directo a México provides the best exchange rate in the market. Your family in Mexico can receive the money in a bank account at a bank branch or at any ATM by using a debit card. If you want, you can send your money on the day you choose without standing in line.

Ask one of our associates to tell you more about Directo a México. We think you will agree that it's a better way to send money home.
