Amendments to Operating Circular 5
Effective December 11, 2026
Summary of Changes

In connection with the sunset of FedGlobal ACH Payments (effective December 11, 2026) and international check services (effective April 2, 2027), the Federal Reserve Banks are modifying section 2.6.6 of Operating Circular 5 to clarify that the provision applies to when the Reserve Banks cease to provide a service or a feature of a service in its entirety.
